Mitered Door

1. 1/2" Particle board sides, tops and bottoms with Maple wood grained vinyl interior.
2. 1/2" Particle board backs with Maple wood grained vinyl, eliminating the need for hang rails.
3. 3/4" Particle board shelving with Maple wood grained vinyl on both sides and one edge. All shelves adjustable, with base cabinets having 1/2 depth shelves.
4. Printed, matching wood grained vinyl ends are standard. Upgrade to a 1/4" MDF veneered skin is available, Unexposed ends will be Maple wood grained vinyl.
5. 1/4" Veneered Flat panel doors or 9/16" Veneered raised panel doors.
6. 3/4" Hardwood face frames and drawer fronts. Face frames have glued and screwed joints.
7. 1/2" Plywood drawer box and 1/4" plywood bottom with Maple wood grained vinyl interior. Upgrade to a Dovetail drawer is available.
8. 75# Epoxy coated, self adjusting side mount, 3/4" extension drawer guides.
9. Blum one piece, six way adjustable concealed hinges.

Standard finish consists of stain, one coat of conversion varnish as a sealer and one topcoat of conversion varnish.
