Rub Through

Sanding of edges, crested areas and corners of the wood cabinets to expose base color. Rub Through will be random in stiles, rails and in raised panels.

Distressed

Our distressing technique creates a unique look with cracks, dents, nicks & wormholes giving the appearance of aged wood.

Accent Glazes

Hand applied by our craftsmen to give depth & highlight the molding used. Creates an antique appearance. Brown or Black

Highlights

Ginger, Umber and Ebony highlights are a unique finish to cabinetry that adds a beautiful artistic touch.

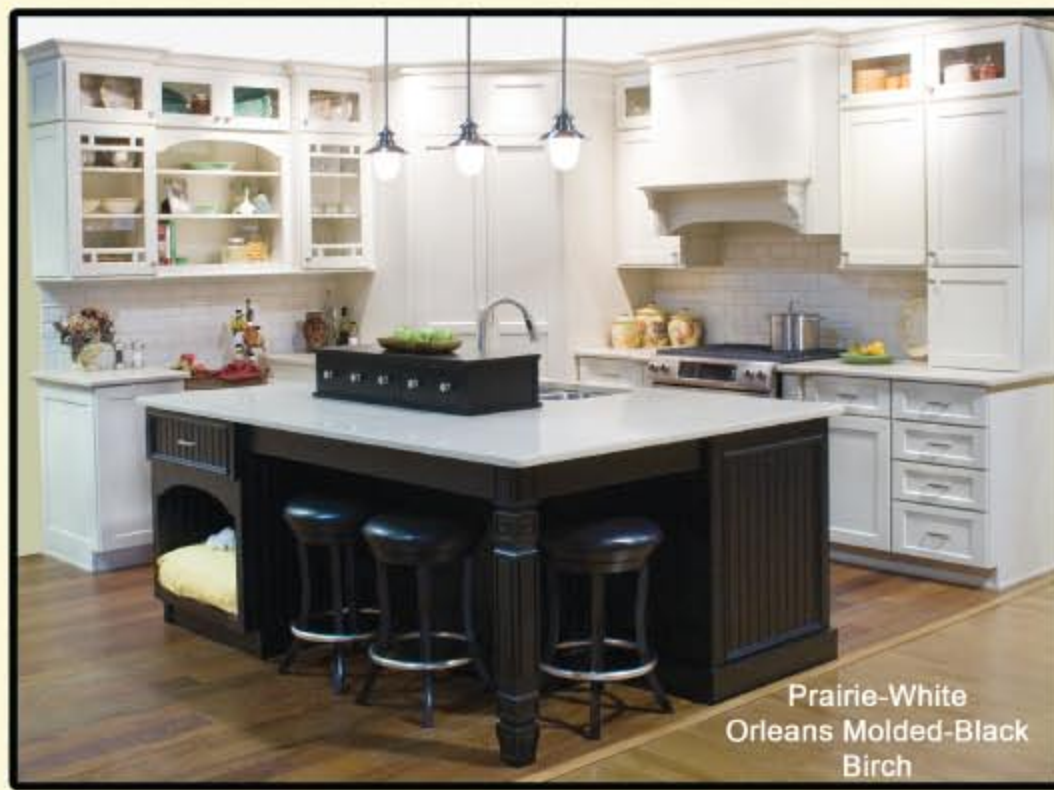

Pencil Glaze

Hand applied by our craftsmen to give depth & highlight the molding used. Creates an antique appearance. Brown or Black
